You are encouraged to attend to review recent achievement and the work InternetNZ is involved in. This is your main opportunity to offer your views on the direction InternetNZ is taking. New Zealand Registry Services and the Domain Name Commission staff will also be attending, presenting issues under current discussion on .nz and its policies.

Agenda:

1. Highlights from the InternetNZ year
2. Telecom structural reform update
3. The year ahead – what's in store for InternetNZ
4. Draft Business Plan/Budget
5. Projects overview
6. Domain Name Commission – current .nz issues
7. New Zealand Registry Services – update from the Registry
8. Membership services
9. General business

If you are unable to attend you can still contribute on the members-discuss list, or by emailing your thoughts to president@internetcz.net.nz. I look forward to hearing your views on your organisation.

Regards

Peter Macaulay
President
